atienzajportfolio.000webhostapp.com

San Fernando, Pampanga, Philippines 2000

OBJECTIVE

A flexible and visionary type of person with academic recognition in website development. I have been known as detail-oriented by my professors and peers. While working on academics, I have developed proven critical thinking, organizational, and teamwork skills, which I hope to leverage into the role for the website development at your company.

SKILLS

HTML / CSS
Node JS
Angular
Java
PHP
Python

ADDITIONAL INFORMATIONS

Certification: Completion of "Google Analytics for Beginners" Course

Interests: Movies, Music, Video Editing
